Honorable Cyrus R. Vance
Secretary of State
Department of State
Washington, D.C.

Dear Mr. Secretary:

I am writing to let you know that I have written to the Attorney General to recommend that immediate steps be taken (under Section 212(d)(5) of the Immigration and Nationality Act, as amended to exercise the parole authority in behalf of certain special migrants and refugees in Europe and Latin America. A copy of my letter to the Attorney General is enclosed.

Hopefully, the Department of State will concur in these recommendations.

Many thanks for your consideration and best wishes.

Sincerely,
